Subject: Incident involving Lee Harvey Oswald

Sir:

At approximately 10:30 A.W., Moreabor 28, 10:53, I was workinging— standard as a detective sasigned to the forgory bureau detail and was on duty stationed in the religious control directly in frount of the publishment of the same of t

I stayed in this general area until Captain Jones arrived and gave instructions to about twenty-five detectives including myself. We wer, placed in two lines to give maximum security to the prisoner.

A blue detective's car was backed into position which blocked my view when the deceased was brought from the hallway. I ast. Rere wereso many reporters that pushed their way forward that I was unable to get to the suspect. I jumped across the trunk of the car and prabbed the suspect, and there were him, we officers attempting to wrestle the gan away from him, we fill to the floor where the suspect was subdued and disarmed.
